

APPEAL NO. 021297
FILED JULY 8, 2002

This appeal arises pursuant to the Texas Workers' Compensation Act, TEX. LAB. CODE ANN. § 401.001 *et seq.* (1989 Act). A contested case hearing was held on April 25, 2002. The hearing officer determined that the claimed injury was not caused by the willful intention and attempt of respondent (claimant) to injure himself or unlawfully injure another person; the claimed injury did not arise out of an act of a third party intended to injure the employee because of a personal reason; appellant (carrier) is not relieved of liability; and claimant had disability from _____, through the date of the hearing. Carrier appealed, contending that it should be relieved of liability because the injury arose due to personal animosity. Carrier also asserted that claimant did not have disability because there was no compensable claim. Claimant responded that the Appeals Panel should affirm the hearing officer's decision and order.

DECISION

We affirm.

We have reviewed the complained-of determinations and conclude that the issues involved fact questions for the hearing officer. The hearing officer reviewed the record and decided what facts were established. We conclude that the hearing officer's determinations are not so against the great weight and preponderance of the evidence as to be clearly wrong or manifestly unjust. Cain v. Bain, 709 S.W.2d 175, 176 (Tex. 1986).

We affirm the hearing officer's decision and order.
